

HSC Business Consultant

Job Location: Hult International Business School, London

Minimum Duration: 1 Academic Semester

About Us

Hult Strategic Consulting is a Junior Enterprise consultancy working to tackle big challenges. This is a student-led consultancy firm that has the objective of developing its leadership team as well as its consultants early in their careers so that they can graduate with real-life experience working for companies that take their recommendations forward and allow them to make an impact. You will have the opportunity to work in an entrepreneurial, independent, and energetic environment where you will be challenged and encouraged to develop your full potential. If you are seeking to go beyond the academic experience in a student club by taking a leadership position in an established organization, adding real work experience to your path, this is an excellent opportunity for you.

Role Description & Objectives

HSC JE aims to provide high quality consulting services and innovative solutions and interacts with various corporate and academic figures, start-ups, and SMEs. We are seeking an ambitious and enthusiastic student who is eager to become an HSC Consultant and work on the growth of HSC as a Junior Enterprise. The candidate we are looking for will perform consistently to generate remarkable impact on clients' improvement through high quality projects, on network's enlargement through results delivered and on organizational growth through dedication. Collaboration and constant focus on HSC short-term and long-term objectives as well as audiences are key to this role.

General Duties & Responsibilities

- Undertake short-term or long-term projects to address a variety of issues and needs.
- Meet with assigned clients when needed and perform an initial assessment of the problem.
- Collect information about the client's business through a variety of methods (shadowing, interviews, surveys, reading reports etc.).
- Analyse and interpret data to unearth weaknesses and problems, and comprehend the causes.
- Formulate recommendations and solutions with attention to a client's wishes, capabilities and limitations forming concise reports.
- Present findings and suggestions to clients with ample justification and practical advice.
- Assist the client in implementing the plan and resolve any occasional discrepancies.

Desired Skill Set (Subject to Develop)

- Outstanding communication and interpersonal skills;
- Analytical mind with knowledge of data analysis and research techniques;
- Creative problem-solving aptitude;
- Excellent organizational and coordination skills along with project management competencies;
- Ability to develop detailed proposals and plans;
- Excellent teamwork and collaboration skills with critical thinking mindset.
